

# Illustrator Graphs: Quick Guide

## PIE CHART

| 50    |       |       |
|-------|-------|-------|
| 50.00 | 30.00 | 20.00 |

■ pizza ■ tacos ■ mush

| pizza | tacos | mush  |
|-------|-------|-------|
| 50.00 | 30.00 | 20.00 |

| "50"  | "30"  | "20"  |
|-------|-------|-------|
| 50.00 | 30.00 | 20.00 |

Notes:  
For numerical labels, put them in quotes and match data values.

To place labels inside wedges, select the graph, then right click and select: "Type". In the Graph Type panel, go to "Legend" and select "Legend in Wedges."

To combine the 2 options above, layer option 2 on top of option 3.

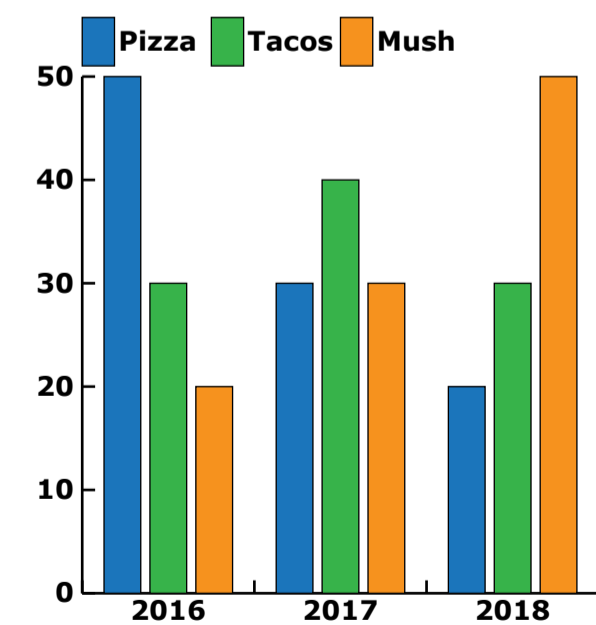

## BAR GRAPH

| Monday    |       |  |
|-----------|-------|--|
| Monday    | 50.00 |  |
| Tuesday   | 30.00 |  |
| Wednesday | 20.00 |  |

|       | pizza | tacos | mush  |
|-------|-------|-------|-------|
| lunch | 50.00 | 30.00 | 20.00 |

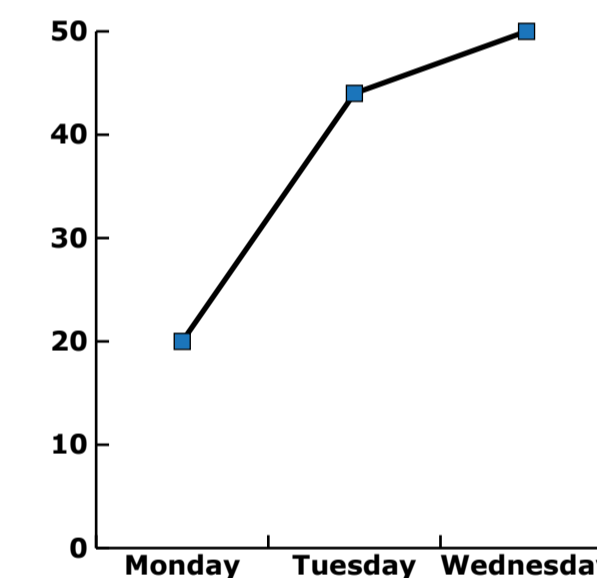

| "2016" | Pizza | Tacos | Mush  |
|--------|-------|-------|-------|
| "2016" | 50.00 | 30.00 | 20.00 |
| "2017" | 30.00 | 40.00 | 30.00 |
| "2018" | 20.00 | 30.00 | 50.00 |

## LINE GRAPH

| Monday    |       |  |
|-----------|-------|--|
| Monday    | 20.00 |  |
| Tuesday   | 44.00 |  |
| Wednesday | 50.00 |  |

| Monday    |       |  |
|-----------|-------|--|
| Monday    | 20.00 |  |
| Tuesday   | 44.00 |  |
| Wednesday | 50.00 |  |

Notes:  
To set zero as starting value, select graph, right click, and go to: Graph Type. At the top, switch from "Graph Options" to "Value Axis". Select "Override Calculated Values" and set new values.

| Monday    | Pizza | Tacos |
